The Contractor agrees to use protective measures no less stringent than the Contractor uses within its own business to protect its own most valuable information, which protective measures shall under all circumstances be at least reasonable measures to ensure the continued confidentiality of the Confidential Information.

6.11 **Advertising.** The Contractor shall not advertise or publish, without the City's prior consent, the fact that the City has entered into the Contract, except to the extent required by law.

6.12 **No Contingent Fees.** The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure the Contract upon any agreement or understanding for commission, percentage, brokerage, or contingent fee, excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the City shall have the right, in addition to any other remedy available, to cancel the Contract without liability and to deduct from any amounts owed to the Contractor, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.

6.13 **Gratuities.** The City may, by written notice to the Contractor, cancel the Contract without liability if it is determined by the City that gratuities were offered or given by the Contractor or any agent or representative of the Contractor to any officer or employee of the City with a view toward securing the Contract or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performing of such contract. In the event the Contract is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Contractor in providing such gratuities.

6.14 **Prohibition Against Personal Interest in Contracts.** No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Contract resulting from that solicitation. Any willful violation of this section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Contractor shall render the Contract voidable by the City.

6.15 **Independent Contractor.** The Contract shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Contractor's services shall be those of an independent contractor.

The Contractor agrees and understands that the Contract does not grant any rights or privileges established for employees of the City.

6.16 **Assignment-Delegation.** The Contract shall be binding upon and enure to the benefit of the City and the Contractor and their respective successors and assigns, provided however, that no right or interest in the Contract shall be assigned and no obligation shall be delegated by the Contractor without the prior written consent of the City. Any attempted assignment or delegation by the Contractor shall be void unless made in conformity with this paragraph. The Contract is not intended to confer rights or benefits on any person, firm or entity not a party hereto; it being the intention of the parties that there be no third party beneficiaries to the Contract.

6.17 **Waiver.** No claim or right arising out of a breach of the Contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Contractor or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Contract, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.

6.18 **Modifications.** The Contract can be modified or amended only in writing signed by both parties. No pre-printed or similar terms on any Contractor invoice, order or other document shall have any force or effect to change the terms, covenants, and conditions of the Contract.

6.19 **Interpretation.** The Contract is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Contract. Although the Contract may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Contract, the UCC definition shall control, unless otherwise defined in the Contract.

6.20 **Dispute Resolution.**

6.20.1 If a dispute arises out of or relates to the Contract, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within fourteen (14) calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one (1) senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.

6.20.2 If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within thirty (30) calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Contractor agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in the Contract prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or a contract interpretation expert. If the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session. The City and the Contractor will share the mediator's fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

6.21 **Jurisdiction And Venue.** The Contract is made under and shall be governed by the laws of the State of Texas, including, when applicable, the Uniform Commercial Code as adopted in Texas, V.T.C.A., Bus. & Comm. Code, Chapter 1, excluding any rule or principle that would refer to and apply the substantive law of another state or jurisdiction. All issues arising from this Contract shall be resolved in the courts of Travis County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. The foregoing, however, shall not be construed or interpreted to limit or restrict the right or ability of the City to seek and secure injunctive relief from any competent authority as contemplated herein.

6.22 **Invalidity.** The invalidity, illegality, or unenforceability of any provision of the Contract shall in no way affect the validity or enforceability of any other portion or provision of the Contract. Any void provision shall be deemed severed from the Contract and the balance of the Contract shall be construed and enforced as if the Contract did not contain the particular portion or provision held to be void. The parties further agree to reform the Contract to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this section shall not prevent this entire Contract from being void should a provision which is the essence of the Contract be determined to be void.

6.23 **Holidays.** The following holidays are observed by the City:

6.25 **Non-Suspension or Debarment Certification.** The City of Austin is prohibited from contracting with or making prime or sub-awards to parties that are suspended or debarred or whose principals are suspended or debarred from Federal, State, or City of Austin Contracts. **CITY OF AUSTIN PURCHASING OFFICE
SECTION 0500: SCOPE OF WORK
STRONGER AUSTIN – HEALTH AND WELLNESS INITIATIVE**

I. INTRODUCTION

The City of Austin (City), a home rule municipality, through the Parks and Recreation Department (PARC) and Austin Public Health Department (APH) intends to enter into a contract with an Austin-based nonprofit organization in unifying the effort to improve the health and wellness of Austinites through the health initiative Stronger Austin.

II. PURPOSE:

The Parks and Recreation Department's (PARC) mission is to inspire Austin to learn, play, protect and connect by creating diverse programs and experiences in sustainable natural spaces and public places. To accomplish this, PARC offers a wide variety of programs for youth and teens, adults and 50+/seniors at its Community Recreation Centers. Teen programs, adaptive recreation, and 50+/senior programs are offered at select centers. Athletics and fitness, enrichment classes, and seasonal events are offered year round.

Austin Public Health's mission is prevent disease, promote health, and protect the well-being of its community with the vision of making Austin/Travis County the healthiest in the nation. APH plays a critical role everywhere and every day in protecting and supporting the health and well-being of people and communities. APH provides a range of services that promote healthy behaviors, prevent diseases, provide food protection, offer life-saving immunizations, and prepare and respond to public health emergencies to help people navigate through crisis in order to reach their full potential.

This first-of-its-kind, public-private initiative aims to reduce the burden of preventable chronic disease among Austin's most at-risk and economically disadvantaged populations. Through Stronger Austin, the Austin Parks and Recreation Department, Austin Public Health Department, and the Contractor will significantly expand access to free programming that increases physical activity, improves diet, and fosters community engagement and development. By exposing historically marginalized communities to a wider array of recreational opportunities, resources, and information, Stronger Austin Days will address the health disparities that exist within many communities of color, build a more inclusive recreational environment in Greater Austin, and strengthen Austin as a whole.

This approach will build on the latest science and will activate and strengthen neighborhood partnerships and places/spaces to create a stronger, more united Austin community. In addition to improving the health of Austin's most at-risk citizens, our aim is to develop and demonstrate a cost-effective model that can be scaled to communities across Texas.

IMPACT & EVALUATION

The evaluation of Stronger Austin will be led by faculty at the Michael and Susan Dell Center for Healthy Living/UT School of Public Health - Austin. In the first year of operation, both process and outcome-related goals will be assessed. Regarding process goals, Stronger Austin will establish new programming in 3-4 high need geographic areas in Austin (see section above) and will also form partnerships with community organizations to expand the reach and impact of the initiative. Stronger Austin will be informed by and advanced through a Community Advisory Board composed of representatives from each of the initiative’s target areas. Qualitative data will also be collected from program participants, Community Advisory Board members, community partners, and instructors/volunteers to identify strengths and weakness of our program model. Stronger Austin’s primary outcome goals will focus on increasing participants’ physical activity, healthy eating, and self-efficacy for physical activity and healthy eating. With sufficient and sustained funding, we will also seek to decrease overweight and obesity among participants. While obesity is a difficult outcome to change, recent findings out of Miami-Dade County in Florida indicate the potential promise of quality OST programming in promoting and support healthy weight among children (reference).

FUNDING & SUSTAINABILITY

Stronger Austin will employ a comprehensive development model that generates ongoing revenue from diversified sources, including contracts, grants, sponsorships, individual gifts, and earned income. All Stronger Austin programming will be offered totally free of charge, however, the initiative will employ a “pay-what-you-want” pricing structure that allows participants to financially support the programming.

In order to reduce costs, Stronger Austin will also recruit volunteer instructors for both the Fitness in the Park and Walking programs. The Stronger Austin team will also secure in-kind sponsors that will reduce equipment costs and expenses associated with marketing/promotion and incentives/rewards.

The Austin Parks and Recreation Department and IT’S TIME TEXAS will, together, contribute a minimum of \$100,000 in seed funding to support the successful launch of Stronger Austin in 2017.
